The Wanaque Haskell Education Foundation, Inc. (WHEF) is a 501(c)3, not-for-profit organization of interested parents, educators, alumni, and community members, whose purpose is to enrich and enhance the quality of education in the Wanaque Pre-K through 8th grade public schools, beyond the limitations of the Wanaque Board of Education's annual operating budget.

WHEF wants you to be a member. Your membership directly impacts our ability to provide beneficial programs, such as teacher grants and technological upgrades. **We have already awarded over \$30,000 in teacher grants!**

WHEF represents all segments of the Wanaque-Haskell community who are interested in the education of children. Membership requires NO time commitment. Your generous monetary donation is all we need. This is your family's commitment to shaping the education of our children.

Please consider joining us to help better the children of our community. Return the bottom portion of this form to your child's school to begin your commitment to local education.

Your Membership is a Charitable Donation. For Your Records, Our Tax ID# is 22-3510214
